UPCOMING PRICING UPDATES - LETS DISCUSS THEM

As we celebrate four years of creating and growing together, maintaining the high standard of artistry, premium products, and private boutique experience you expect remains my top priority.

Over the past four years, the cost of top-tier supplies, boutique overhead, and operational essentials, even down to our digital hosting platform has risen significantly. To reflect these rising costs while continuing to deliver an exceptional, uncompromising experience, boutique services and established tailored memberships will see a \$15 increase effective this September.

Following our six-month advance notice in the app and our one-on-one conversations during appointments, this adjustment applies to all individual services as well as tailored memberships established for over a year. If you joined or locked in your tailored membership within this past year, your current rate remains honored and unchanged. Thank you deeply for your continued loyalty, trust, and support as we keep elevating your boutique experience.

RENEE

Your support continues to allow me to be able to do what I do today and be able to create the environment ensure positivity the way that I can! Thank you so much for being a part of the boutique, My life, and this wonderful community!

TAILORED MEMBERSHIPS

We believe that as our relationship grows, your membership should too.

After 6 to 12 months of being a loyal member, you unlock the option to create a Tailored Membership directly with your nail artist. Our standard memberships beautifully cover manicures and overlays, but a Tailored Membership lets us expand your services to include exactly what you need, such as pedicures. Instead of a preset package, this is a completely customized self-care experience designed from the ground up to fit your unique lifestyle.

NAIL IT FORWARD

CLAIM THIS MONTHS BOX

At NajeeRenee Nail Boutique, community care is an active practice, not a side note. The Nail It Forward donation box was created as a consistent, intentional way to support individuals in our community who may need a little extra help.

Offered monthly on the ****last Saturday of each month****, the Nail It Forward box is **available to anyone in need**.

Each box is thoughtfully curated with donated items from clients and members, alongside essential hygiene products and supplies purchased specifically for this initiative. Once claimed, recipients are asked to wait until the following month before receiving another box, allowing the impact to reach as many people as possible.

The name *Nail It Forward* is inspired by the idea of “paying it forward”—a reminder that small acts of generosity, when shared, create lasting change. Whether you choose to donate, spread the word, or claim a box when needed, your participation strengthens the collective care of our community.

This program reflects the boutique’s commitment to meaningful service and shared responsibility. Together, we continue to build a culture where generosity is accessible, dignity is respected, and support is always within reach.
