HEY A WORD FROM ME

The Next Chapter: Our Boutique is Growing!

We have some incredible news to share with our community! To better serve you and prepare for the future of the boutique, we are officially migrating to a larger, upgraded suite within our current building. While we loved our time in Suite 201, this move allows us the space needed to expand our offerings, including our upcoming school, private tutoring sessions, and the future addition of new nail artists to our team. This transition is designed to be seamless. There will be no interruptions to the booking process or our current availability. We are working hard to ensure that we are fully settled and ready to welcome you into the new space by April 1st, 2026.

A Call for Community Support Because this is a quick transition, we are looking for a few helping hands to make this move as smooth as possible. If you are available and willing to help us move equipment and supplies, we would be so grateful for your support!

- When: Wednesday, March 25th
- Time: 3:30 p.m.
- Where: Meeting at our current location, Suite 201

Thank you for being part of this journey with us. This move is more than just a change of rooms; it is the foundation for everything we have planned for 2026 and beyond.

BOUTIQUE APP IS A MUST

All client communication at NajeeRenee Nail Boutique is centralized through the boutique app.

Appointments, subscriptions, design discussions, questions, updates, and any changes to your services are managed exclusively there.

To receive services and stay connected with me as your nail artist, the app must be downloaded and actively used. Any correspondence sent outside of the app—including social media, text, or email—will not be monitored and will be disregarded.

This system allows everything to remain organized, streamlined, and accessible in one place, ensuring nothing is missed or overlooked. The app is the primary way the boutique operates and is essential for managing your experience from start to finish.

Everything available in the app can also be accessed through the boutique website at:

www.najeerenee.com

including booking, subscriptions, and account management, all within the same centralized system.

PARTY WAS A STITCH!!

N.O.T.Y WINNERS

This year, we celebrated our amazing canvases with the N.O.T.Y. (Nails of the Year) awards! The criteria for these winners came down to skill, precision, and how beautifully the art complimented the natural canvas.

I am so excited to announce our incredible winners: Laura, Daniela, and Alex! A huge, special congratulations goes out to Daniela, who took home the first-place trophy. Honestly, I am just deeply appreciative of each and every one of you. Thank you for choosing me to be your nail artist and for wearing my art out into the world with such style.

Our Member Appreciation Party was an absolute stitch! As my personal way of saying thank you for your continued support, I whipped up a homemade feast for us to share. We enjoyed steak with peppers and onions, rice, vegetable soup, and chicken wings, and we finished it all off on a sweet note with a two-layered brownie cake and a strawberry banana layer cake.

The fun kept going with some great games, including a hilarious round of "Pin the Crystal on the Nail" and Bingo, where our lucky winner took home a brand-new foot massager! Even though we missed a few of our members who couldn't make it, we had a truly amazing time celebrating the wonderful community we have built together at the boutique.

NAIL IT FORWARD

CLAIM THIS MONTHS BOX

At NajeeRenee Nail Boutique, community care is an active practice, not a side note. The Nail It Forward donation box was created as a consistent, intentional way to support individuals in our community who may need a little extra help.

Offered monthly on the ****last Saturday of each month****, the Nail It Forward box is **available to anyone in need**.

Each box is thoughtfully curated with donated items from clients and members, alongside essential hygiene products and supplies purchased specifically for this initiative. Once claimed, recipients are asked to wait until the following month before receiving another box, allowing the impact to reach as many people as possible.

The name *Nail It Forward* is inspired by the idea of "paying it forward"—a reminder that small acts of generosity, when shared, create lasting change. Whether you choose to donate, spread the word, or claim a box when needed, your participation strengthens the collective care of our community.

This program reflects the boutique's commitment to meaningful service and shared responsibility. Together, we continue to build a culture where generosity is accessible, dignity is respected, and support is always within reach.
